On July 3, 2007 the Town of Fort Erie introduced its new specialized transit service.

Fort Erie Accessible Specialized Transit is designed for eligible Fort Erie residents who need to travel within the Town for medical appointments, employment, education or for social outings. The service is available throughout the entire municipality.

### **Eligibility:**

FAST is intended for persons who, due to a mobility problem, would be physically unable to board a conventional transit vehicle, or walk a distance of 175 meters (approximately 600ft).

FAST is only available to those who submit an application signed by a licensed health professional.

Applications for service are available at Town Hall, at [www.forterie.on.ca](http://www.forterie.on.ca) or by calling us at 905-871-1600/905-871-4655.

Riders are required to pre-pay. One “multi-ride” ticket book (5 one way trips) is available for a discounted cost of \$10.00. Payments may be made by cheque, Visa or cash - otherwise trip bookings will not be accepted. Call us for more details.
