

BUILDING SAFETY MONTH 2026

SAFETY DOESN'T HAPPEN BY ACCIDENT **Recognizing The Job That Goes Unnoticed**

BEHIND THE SCENES

BUILDING OFFICIALS AT WORK

- Reviews complex construction drawings before a shovel hits the ground
- Identifies code issues early—before they become costly or dangerous
- Ensures fire separations, exits, and life-safety systems are properly designed
- Balances safety, innovation, and practicality
- Interprets and applies evolving building codes
- Educates homeowners, builders, and designers

BUILDING OFFICIALS ARE THE UNSUNG HEROES OF SAFE COMMUNITIES

BUILDING-OFFICIALS-&-SAFETY

BUILDING SAFETY IS PROACTIVE - NOT REACTIVE! WE PROTECT LIVES LONG BEFORE A BUILDING IS OCCUPIED. WHEN BUILDING OFFICIALS DO THEIR JOB RIGHT, NO ONE NOTICES.

70 Years of Leadership in Building Safety
