

COVID-19 COMMUNITY UPDATE

Ontario Youth Aged 12-17 Eligible for Accelerated Second Dose

Ontario is accelerating second dose eligibility for those aged 12 to 17 to provide them with a strong level of protection against COVID-19, including the Delta variant, and support a safe return to school in September. As of Monday, July 5, 2021, youth aged 12 to 17 across the province will be eligible to book an accelerated second dose appointment to receive the Pfizer vaccine through the provincial booking system <https://ontario.ca/bookvaccine>, by calling 1-833-943-3900, directly through public health units that use their own booking system and through participating pharmacies.

Online COVID-19 Vaccination Reporting for Out of Province Records

Ontario residents who received their vaccinations elsewhere, such as the United States, can log into the provincial portal and register their U.S. vaccination details in Ontario and receive a reciprocal Ontario vaccination card:

- Go to <https://www.niagararegion.ca/health/covid-19/vaccination/reporting.aspx>
- Submit the form if you have received a COVID-19 vaccination outside of Ontario.
- Remember to keep your original COVID-19 immunization record stored in a safe location with other valuable documents such as birth certificates, health cards and passports.
- Vaccination records take up to five days to process. Once completed, print your vaccine receipt by logging onto Ontario Health at <https://covid19.ontariohealth.ca/>

Border Exemptions for Fully Vaccinated Travellers

Effective Monday, July 5, 2021, fully vaccinated Canadians and permanent residents may qualify for certain exemptions to quarantine and testing requirements. Those who meet the requirements may be exempt from:

- Quarantine
- Hotel stopover (for air travellers)
- Day-8 testing requirement
