CRYSTAL BEACH PARKING STUDY**

The Corporation of the Town of Fort Erie is inviting submissions from qualified, professional consultants for the preparation of a parking study for the Crystal Beach Neighbourhood. The work will provide a measured assessment of the current capacity for on-street parking, public parking lots and the private parking lot under lease by the Town. The study will focus on three (3) distinct areas of interest including the Bay Beach Area, the Commercial Core Area and the balance of the Crystal Beach Neighbourhood's localized destinations subjected to potential parking demand. The study is intended to offer Council and Town Staff a basis for formulating a Crystal Beach Parking Strategy with priorities for Town capital and operational actions and activity, with support for intensification areas under consideration as part of the Crystal Beach Secondary Plan. Opportunities for input through public engagement will be included as part of the study work with public notifications forthcoming.

This bid opportunity can be obtained in the following ways:

- Visiting www.biddingo.com/forterie
- Contacting Randi Martins in Procurement at rmartins@forterie.ca, 905-871-1600 ext. 2303

Sealed proposals addressed to Randi Martins, Manager, Procurement, will be received by the Customer Service Unit (CSU) at 1 Municipal Centre Drive, Fort Erie ON until 2:00 p.m. local time on:

THURSDAY MAY 16, 2019

The Corporation of the Town of For Erie reserves the right to eject any or all submissions and the lowest of any proposal will not necessarily be accepted.
