1. Will you utilize this park? Yes No

2. Please indicate the number of people from each age group of your household that will use this park:

Preschool children (1-4 years)	_____	Adults (20-64 years)	_____
Children (5-12 years)	_____	Seniors (65 years & older)	_____
Teenagers (13-19 years)	_____		

3. Programming/ Park Elements

Based on the feedback received through the Neighbourhood Survey, there was a strong desire for the following park elements. Knowing that the budget does not allow for everything to be included, what elements would you rank as your most important?

Please rate how important these elements are to you:
(0 not important, 1 somewhat important, 2 important, 3 very important)

- 0 1 2 3 Areas for community gathering, small group picnics, etc.
- 0 1 2 3 A structure such as a trellis, that can provide some shade
- 0 1 2 3 Small active sports area such as a ½ court basketball hoop or multi-sport court
- 0 1 2 3 Adult Exercise equipment
- 0 1 2 3 Open lawn space for local neighbourhood events (neighbourhood gathering, movie night)
- 0 1 2 3 Typical Playground – Play equipment with slide, climber etc.
- 0 1 2 3 Sensory Playground – Unique elements, focused on activities that aim to have a stronger connection to the senses and allow for ‘child directed play’
- 0 1 2 3 Planted spaces / Landscaping such as small, contained gardens, shade trees etc.
- 0 1 2 3 A pathway connecting Spears Park to Garrison Road Public School property
- 0 1 2 3 Winter activities, such as an ice rink

4. Favourite Ideas or Elements

Is there a concept that you prefer? If so, why? Are there elements in the presented concepts that you like and that we should try to include in the final park design?

5. Providing for the Community

Is there anything you think is missing that will allow the park to serve the community in a more positive way?

6. Any additional comments?
